

EMPHASIS

ON EMERGENCY MEDICINE IN TEXAS

NEWSLETTER: NOVEMBER 2016

THE PRESIDENT'S MESSAGE

Heather Owen, MD, FACEP
President

TCEP takes Vegas! It was so great to see so many familiar faces at ACEP16 in Las Vegas! Your TCEP leaders arrived on Thursday for the Council meeting on Friday and Saturday. TCEP had 21 councilors and 15 alternate councilors in attendance to represent you. We discussed many important issues to Emergency Medicine...

2017 Call for TCEP Board of Director's Nominations Call for Bylaws Amendments

The Texas College of Emergency Physicians depends upon its fourteen member Board of Directors for its vision and action. Eleven Regular Board Members serve staggered three-year terms, plus one-year terms for a Young Physician, Resident and Medical Student position. There are two Regular Board positions on the 2017 ballot.

Government Relations Committee

REPORT

*Diana Fite, MD, FACEP
Chair, Government
Relations Committee*

This Government Relations Committee report will summarize information that we know for certain about the upcoming legislative session, as well as contain some information that we expect but are not certain about the 2017 legislative session. As I am writing this report, the November 8 election has not yet occurred...

Spotlight EMIG: Texas Tech University Health Science Center El Paso

REPORT

Written by Jeff Scott, MS-2

The TTUHSC El Paso EMIG hit the ground running this year. In August, four of our members traveled to Houston for the Texas EMIG Colloquium at Baylor College of Medicine in Houston - no small feat considering the round-trip is 1,500 miles! Our congratulations to the Baylor EMIG for hosting a well-organized and informative conference. The rest of the year promises to be just as engaging...

Spotlight EMIG: University of Texas Medical Branch

REPORT

Written by Rama Heyratifar, MS-2

With the school year already started, the University of Texas Medical Branch's EMIG kicked things off in high gear to have another successful year! Our organization is dedicated to promoting emergency medicine as a career by providing our students with shadowing opportunities in Houston and Galveston and ride-alongs with EMS in Houston, as well as hosting EM speakers from various programs in the state of Texas, skills workshops (airway management, ultrasound, etc.), service projects, and helping students get involved in EM on local, regional, and national levels...

Risk management is a core value of TMLT. Why? Because our data shows a correlation between TMLT risk management activities and reduced claims. One study found a 14% reduction in claims for those completing TMLT CME courses.

TMLT offers CME seminars, online courses, publications, and customized workshops. Learn more at www.tmlt.org or call 800-580-8658.

TMLT - protection for a new era of medicine.
